Whipple - Tonight's
Cohesive Questions or issues

3. he believes that
the State has no
idea of what a
legitimate Navajo
PIA Claim might
realistically be.

1. no water left for the other tribes

[So. Ute of no concern]

[Jicarilla atj'd]

[Leaves Ute Mt. Utes' claims, i told

him these were not our worries; but
what if they pursue a PIA claim?

if granted (i assume there is some

chance that a court could grant
some amt), where would the water

come from? is there SJ water

that the Mt. Utes have access to?]

2. Gallup is not required to pay an amt
proportional to the benefits received - in fact,
he believes Gallup might pay nothing which
violates the ~~the~~ Pol:in stat.
