

HOW FULL WILL YOUR GLASS BE?

We could use your perspective.

The Interstate Stream Commission invites you to provide input for the State Water Plan Update on the following water resource management issues:

- ◆ population growth / water demand
- ◆ conservation
- ◆ climate variability
- ◆ water projects needed in your region

Region #5 - Tularosa/Salt Basins

**State Water Plan Update Public Meeting
Monday, April 27 6:30-8:30 pm**

**Alamogordo Civic Center
800 East First St
Alamogordo, NM 88310**
