

HOW FULL WILL YOUR GLASS BE?

We could use your perspective.

The Interstate Stream Commission invites you to provide input for the State Water Plan Update on the following water resource management issues:

- ◆ population growth / water demand
- ◆ conservation
- ◆ climate variability
- ◆ water projects needed in your region

Region #8 - Mora/San Miguel Guadalupe

**State Water Plan Update Public Meeting
Tuesday, May 12 6:30-8:30 pm**

**Highlands University, Leveo Sanchez Lecture Hall
on the ground floor of Thomas Donnelly Library,
802 National Ave, Las Vegas**
